

KENTUCKY AWARE

Volume 3 July 1, 2018 (RESET)

“LETS RESET”

The idea of a monthly newsletter was and remains a great idea and meets a need.

I dropped the ball and allowed outside factors to detract from this project, for this I apologize.

This issue will act as a restart and rededication aimed at keeping a communication chain open between those interested in addressing the abuse issues of our communities.

Please understand that this effort needs input from everyone. Send your ideas, successes, needs and input to me for future issues.

PLEASE DISTRIBUTE AS NEEDED AND SEND EMAIL per.lyndon@yahoo.com TO BE ADDED TO MAILING LIST.

This Month:

Lets Reset	p.1
Programs	p.2
News / Info	p.3
New Trailer	p.3
Contacts	p.5

MAJOR DEVELOPMENT

We have tried for the past 3 years to introduce our programs into school systems in Kentucky. The past year has been unbelievable and a huge success for Kentucky's Drug Awareness Program. We have also started a transition of handing out flyers at events to offering a venue to present the many visual and audio resources available to our communities. Please read the following articles for detail.

PROGRAMS

We have had 2 MAJOR presentations to two county school systems in Kentucky. Scott County & Warren County invited the Kentucky Elks DAP to join their efforts.

SCOTT COUNTY: We were part of the Scott County "Truth & Consequences" Program for 8th graders. This was a day long presentation along with the community organizations including religious, EMS, treatment, law enforcement, judicial, and victims of abuse.

Contacts: Students - 580+, Parents - 320+,
Community - 200 +

WARREN COUNTY: I addressed 580 8th grade students on the dangers of the current opioid problem and how this could affect their and their family's future. The program was received better than I could have hoped.

Kentucky DAP has been invited to become part of both programs in 2018—2019 school. THIS IS GREAT !!!!!!!

? ATTENDING SAN ANTONIA CONVENTION ?

On Tuesday, July 18th the DAP will present the 5th annual open DAP program. The program will be presented in the Convention Center, Rooms C & D @ 1:30pm. I ENCOURAGE ALL TO ATTEND. THIS SESSION SHOULD PROVIDE GREAT INFORMATION THAT WILL ASSIST IN EVERY LODGE'S DRUG AWARENESS PROGRAM AND SHOULD BE PART OF ALL OFFICER & MEMBERS CONVENTION.

FUTURE NOTES

Plan for Drug Awareness Month (October)

Plan for Red Ribbon Week (October)

Plan for Alcohol Awareness Week (November)

Plan for Drug Awareness Poster Contest

NEW TRAILER FOR KENTUCKY

I just completed ordering a new 16' trailer to replace our oldest unit. It will be outfitted to meet our new goal of reaching out to our communities with visual and audio presentations. The budgets for this project are slim and we will need to sell our old unit to be able to place a skin on our new unit. I will be applying for GL Grants but they are limited and not automatic. MORE TO COME.

SHARE THIS NEWSLETTER

This newsletter is meant to be shared. Forward to anyone in your community or Lodge you feel may be interested. To add someone to my send list send me their email address and place “DAP NEWSLETTER” in the subject line. Have a subject you want to include in the newsletter, send to me and place “DAP INFO” in the subject line.
